7	PLEASE contact local businesses BEFORE shutting down streets. We need advance planning with signage to avoid damage to our already fragile small businesses! And after a personal visit and an urgent request for followup from David Zecchini, I still have no call from him a day later. This is the kind of episode that makes me think that town government has no real understanding or appreciation of the business community.	Aug 4, 2009 12:18 PM
